

Renewable Energies

International Conferences and Seminars 2009/2010

- 3rd International Conference Solar Air-Conditioning
- 6th User Forum Thin-Film Photovoltaics
- 5th European PV-Hybrid and Mini-Grid Conference
- **Monitoring of PV-Systems**
- **PV Power Plants**
- **Power Electronics for Photovoltaics**
- 2nd European Conference SmartGrids and E-Mobility

Monitoring of PV-Systems MEE-3493 Seminar Topics

- Performance Characteristics for the Choice of Monitoring Systems
- Exemplification of the Monitoring of Small-Scale Plants
- Practical Experience with Technical Operation Control of Large-Scale Plants
- Monitoring Concepts for Solar Parks
- PV-Data-Mining – Learning from Monitoring Data
- E-Energy and the Future of PV Monitoring

Seminar Chairman
Prof. Gerd Heilscher
Stiftungsprofessor Energiedatenmanagement, Hochschule Ulm, Ulm, Germany

Date
June 7th, 2010, NH Hotel, Munich-Dornach, Germany

Seminar Fee
Per Person € 435,00
Member of OTTI € 405,00
Reduced Fee for Employees of Federal Agencies, Universities and Universities of Applied Sciences € 240,00

PV Power Plants PPP-3495 Seminar Topics

- Quality of projects and plants
- Cutting edge technologies
- Bankability
- Project Management
- Operation and Management
- Future of PV Power Plants
- Utilities and PV Power Plants

Seminar Chairman
Dipl.-Ing. Uwe K. Ilgemann,
Consultant for PV Plant development, -acquisition and -management

Date
June 7th, 2010, NH Hotel, Munich-Dornach, Germany

Seminar Fee
Per Person € 435,00
Member of OTTI € 405,00
Reduced Fee for Employees of Federal Agencies, Universities and Universities of Applied Sciences € 240,00

Power Electronics for Photovoltaics LEE-3492

- Seminar Topics**
- Review and Principles of Power Electronics
 - Power Semiconductors, Inductors and Capacitors
 - Power Electronics for Off-Grid Photovoltaics
 - Photovoltaic Inverters for Grid Connection
 - Module Integrated Electronics
 - Grid Codes for Low and Medium Voltage Grids
 - Feedback Control Systems for Power Electronics
 - Interactions between Modules and Inverters

Seminar Chairman
Prof. Dr.-Ing. Bruno Burger
Fraunhofer Institute for Solar Energy Systems ISE
Freiburg, Germany

Date
June 7th – 8th, 2010
NH Hotel, Munich-Dornach, Germany

Conference Fee
Per Person € 820,00
Member of OTTI € 750,00
Reduced Fee for Employees of Federal Agencies, Universities and Universities of Applied Sciences € 450,00

**Intersolar 2010,
June 9th - 11th 2010
at Munich Fair**

A visit to Europe's largest solar trade fair is included in the seminar fee.

Registration Conditions

You will receive your registration documents with receipt of your registration. The participation fee is VAT-exempt and due net with receipt of the invoice. Please transfer the invoice amount not later than 14 days before the conference starts. Otherwise a copy of the transfer order must be presented at the conference desk. All bank charges have to be covered by the transmitter. Entrance to the conference can only be permitted if OTTI has received the payment. OTTI reserves the right to make modification and amendments of any kind for urgent reasons. In the case of a cancellation of your registration up to 30 days before the seminar takes place, we do not raise a cancellation fee. For cancellations made within a period of 30 to 15 days before the start of the seminar, we charge a service fee of € 120. In the event of cancellations made later than 15 days before the seminar, or in the case of absenteeism, the total participation fee will be charged, unless you are able to provide evidence of a deviating amount of damages or expenses. The cancellation must be in written form. The person representing the contracting party may be replaced at any time but a written notice is necessary not later than 4 days before the conference starts. Irrespective of legal basis, OTTI shall only be liable for property damage and pecuniary loss which occurred due to intent or gross negligence. The place of fulfilment and jurisdiction is Regensburg, Germany.

INFORMATION ABOUT OTTI

Ostbayerisches Technologie-Transfer-Institut e.V.

- We are a non profit organisation founded in 1977.
- Our aim is the stimulation of the industrial economy and the support of the co-operation between science and industry.
- We are one of the leading European conference organisers of seminars and conferences in the field of renewable energy. Furthermore, we offer courses in the fields of building, construction and the efficient use of energy. Our conferences with the accompanying specialist exhibition in Kloster Banz belong to the definitive meetings of the solar energy sector in the German-speaking area.
- In 2008, we have organized over 210 seminars, specialist forums and conferences. About 6.200 specialists and managerial personnel from industry, research institutes, engineering and planning offices took part.

For further information, please visit our website www.otti.de

All seminars and conferences offered in this leaflet will be held in English.

Participants' Testimonials:

"Thank you for the perfect organisation of the Seminar Power Electronics for Photovoltaics"

Stephan Sutter, International Rectifier, Neu-Isenburg, Germany

"I do not want to miss the opportunity to once again kindly thank you for this very successful event. There were lots of very interesting presentations, everything was optimally organized and we made many good and new contacts. For this reason I am pleased to support this Conference in the future." [Smart Grids and Mobility]

Eberhard Petri, ECPE European Center for Power Electronics e.V., Nürnberg, Germany

3rd International Conference

Solar Air-Conditioning

Basic Seminar

SAW-3438

International Conference Solar Air-Conditioning

SAC-3110

Conference Topics

- Components: Heat Driven Water Chillers, Heat Driven Open Cycles
- System Technology
- Practical Experience: Operation Maintenance, Energy Performance, Cost Performance
- Solar Cooling Applications
- System Design: Design Tools, Simulation, Engineering

Conference Chairman

Prof. Marco Beccali
DREAM, Università degli Studi di Palermo,
Palermo, Sicily, Italy

Date

September 30th - October 2nd, 2009
Università degli Studi di Palermo, Italy

Conference Fee if registered until August 7th, 2009

Per Person € 570,00
OTTI/ESTIF/AICARR/FGK/ESV/BSW/IEA/VBI/
GREEN CHILLER/SOLARTHERMALWORLD € 480,00

Conference Fee if registered after August 7th, 2009

Per Person € 650,00
OTTI/ESTIF/AICARR/FGK/ESV/BSW/IEA/VBI/
GREEN CHILLER/SOLARTHERMALWORLD € 480,00
Reduced Fee for Presenters € 310,00

Basic Seminar Fee

Per Person € 180,00

6th User Forum

Thin-Film Photovoltaics Modules - Systems - Applications

Early Bird Fee!

Fundamentals Seminar

DSG-3393

(Conference Language German, Simultaneous Translation into English)

International Conference Thin-Film

DSM-3394

(Conference Language English)

Conference Topics

- Thin-Film Modules (Materials, Production Technologies, Properties, Manufacturers)
- Systems (Components, Design)
- Applications (Facilities Dimensioning, Operating Experiences, Building Integration)

Conference Chairman

Prof. Dr. Bernd Rech
Helmholtz Centre Berlin for Materials and Energy, Germany

Date

February 08th/09th, 2010, Congress Centrum Würzburg, Germany

Fundamentals Seminar Fee if registered until November 23rd, 2009

Per Person € 440,00 Member of OTTI/Partners € 390,00

Per Person € 490,00 Member of OTTI/Partners € 430,00

Fundamentals Seminar and International Conference Fee if registered after November 23rd, 2009

Per Person € 860,00 Member of OTTI/Partner € 740,00

Fee if registered after November 24th, 2009

Per Person € 940,00 Member of OTTI/Partner € 820,00

5th European Conference

IPV-3222

PV-Hybrid and Mini-Grid

Early Bird Fee!

Conference Topics

- Field Experience
- Systems Technology
- Components
- Simulation and Sizing
- Political, Economic and Regulatory Frameworks
- Education and Training
- Economical Feasible Projects
- Social and Behavioural Aspects

Conference Chairmen

Xavier Vallvé
Trama TecnoAmbiental (TTA), Barcelona, Spain

Gonzalo Piernavieja
Instituto Tecnológico de Canarias (ITC), Canary Islands, Spain

Date

April 29th/30th, 2010
Palau Firal I Congressos, Tarragona, Costa Dorada, Spain

Conference Fee if registered until March 14th, 2010

Per Person € 700,00
Member of OTTI, EPIA, EUREC € 600,00

Conference Fee if registered after March 14th, 2010

Per Person € 780,00
Member of OTTI, EPIA, EUREC € 650,00
Reduced Fee for Presenters: € 360,00

2nd European Conference

SGM-3515

Smart Grids and E-Mobility

Early Bird Fee!

Conference Topics

- Smart Grids Initiatives in Europe
- Business Models
- Smart Integration Technologies and Components
- Storage for Smart Mobility
- Electric Vehicles
- Pilot- and Demonstration Projects

Conference Chairwoman

Dr.-Ing. Aleksandra Saša Bukvić-Schäfer
Institute for Solar Energy Technology ISET/Fraunhofer Institute for
Wind Energy and Energy System Technology IWES, Kassel, Germany

Conference Co-Chairman

Prof. Dr. Didier Mayer
MINES ParisTech, Sophia Antipolis, France

Date

October 20th/21st, 2010
Bedford Hotel & Congress Centre, Brussels, Belgium

Conference Fee if registered until August 20th, 2010

Per Person € 600,00
